Curriculum Vitae

Personal information

First name / Surname	**Mitko Petrov SHOPOV**
Address	Trakia 216A, entrance B, floor 6, apartment 22, Plovdiv, BG 4023, Bulgaria.
Telephones	work: +359 (32) 659 758 Mobile: +359 895 587 457
E-mail and Web page	e-mail: mshopov@tu-plovdiv.bg www: http://dsnet.tu-plovdiv.bg/~mshopov/
Date of birth	June 17, 1982

Work experience

Dates	September 2011 – present
Occupation or position held	Assistant professor
Main activities and responsibilities	Teaching students in Computer networking, Distributed systems and computer communications, Microprocessor systems
Name and address of employer	Technical University of Sofia, Plovdiv branch 25 Tsanko Diustabanov Str., BG 4000, Bulgaria.
Dates	December 2007 – September 2011
Occupation or position held	System administrator
Main activities and responsibilities	System administration (Solaris, Debian, FreeBSD, Gentoo, Windows 2003 Server, Windows XP), network administration (Cisco, Linksys, HP), web programming (JSP, ,
Name and address of employer	Technical University of Sofia, Plovdiv branch 25 Tsanko Diustabanov Str., BG 4000, Bulgaria.
Dates	October 2005 – December 2007
Occupation or position held	Research assistant in laboratory "Computer Networks and Distributed Systems"
Main activities and responsibilities	Developing applications for: embedded systems (C/C++, Assembler and Java), PDAs (Embedded Visual C/C++), distributed systems based on Java enterprise technologies (Servlets, JSP, EJB, XML, XSD, XSLT, DOM, Web Services, etc.). Installation, configuration and administration of Linux stations.
Name and address of employer	Technical University of Sofia, Plovdiv branch Lab 2204, 61 St. Petersburg Blvd., BG 4000, Bulgaria.
Dates	June 2004 – May 2005
Occupation or position held	Instructor
Main activities and responsibilities	Instructor for the Cisco Certified Network Associate (CCNA) course from the Cisco Systems Network Academies program.
Name and address of employer	Academy of Information Technologies 20A Vasil Aprilov Blvd., Plovdiv 4000.

Education and training

Dates	July 2008 – July 2011
Title of qualification awarded	PhD student "Electronics in medicine" code 02.20.08
Thesis title	Methods and tools for developmnet of Web-based Personal Health-care Systems
Name and type of the organisation	Technical University of Sofia, branch Plovdiv, Department "Electronics".
Dates	October 2006 – present
Title of qualification awarded	MSc engineer in "Computer Systems and Technologies" (avg. 5.83)
Principal subjects/occupational skills covered	Distributed systems and computer communications, Internet programming, Image processing, Combinatorial algorithms, Parallel algorithms, Distributed embedded systems, Artificial intelligence,

	Algorithms in bioinformatics, Conveyer and parallel computer architectures, Digital signal processing.
Name and type of the organisation	Technical University of Sofia, branch Plovdiv, Department "Computer Systems".
Dates	September 2001 – October 2005
Title of qualification awarded	BSc engineer in "Computer Systems and Technologies" (avg. 5.86)
Principal subjects/occupational skills covered	Computer Networks, Operating Systems, Database Theory, Computer Architectures, Microprocessor Systems, Programming Languages and Environments, Object-oriented Programming, Functional Programming, Supercomputers, Component Programming, Language Processors, Algorithms Theory, Software Engineering, Data Structures, Introduction to Digital Electronics, Circuits and Electronics, Signals and Systems, Computer System Engineering, Information and Entropy.
Name and type of the organisation	Technical University of Sofia, branch Plovdiv, Department "Computer Systems".
Dates	September 1996 – June 2001
Principal subjects/occupational skills covered	Mathematics, Informatics, and English.
Name and type of the organisation	High School of Mathematics "Acad. Kiril Popov" – Plovdiv.

Personal skills and competences

Mother tongue	Bulgarian
Other languages	**English, German**

Self-assessment	Understanding				Speaking				Writing	
European level (*)	Listening		Reading		Spoken interaction		Spoken production			
English	C1	Proficient user	C2	Proficient user	C1	Proficient user	C1	Proficient user	C1	Proficient user
German	A1	Basic	A2	Basic	A1	Basic	A1	Basic	A1	Basic

Social skills and competences	I have participated in various team works and projects as part of my education in High School, University and as a member of the international students exchange organization AIESEC. I have abilities to adapt in multicultural environments acquired during my visit in Nottingham Trent University, UK (Summer 2005) and from the International conferences and competitions I have participated in.
Organisational skills and competences	Elected for a leader of the team participated in IEEE Computer Society International Design Competition CSIDC'05.
Driving licence	Category B

Additional information

Professional interests	Computer networks and communications, Parallel and distributed processing, Distributed embedded systems, System and Web programming, Network Security.
Memberships is scientific and professional organizations	Union of Automatics and Informatics, membership № 1986. IEEE student member № 90739243 ACM student member № 4580678
Teaching experience:	– Assistant in "Computer Networks", Technical University of Sofia, branch Plovdiv, 2005-2011. – Assistant in "Microprocessor Systems", TU of Plovdiv, 2006-2011. – Assistant in "Distributed Systems and Computer Communications", TU of Plovdiv, 2007-2011. – Instructor for the course "Cisco Certified Network Associate", 2004-2005.
Membership in research and scientific projects:	– "HOCFIT" (Home Control Automation) – student project in the context of Computer Society International Design Competition CSIDC'05, IEEE. – National Science Fund of Bulgaria project, contract DVU-10-0100/2010 subject: "Modern approaches in the design of clinical information system (CIS) for observation of pediatric surgery diseases". – National Science Fund of Bulgaria project, contract VU-MI-108/2005 subject: "Web Services and

Data Integration in Distributed Automation and Information Systems in Internet Environment"

− National Science Fund of Bulgaria project, contract MU-MI-102/2005 subject: "Analysis of attacks and methods for securing Web services in global networks".

− Technical University of Sofia project on subject: "Web-based experimental network of controllers for analysis of informational interaction in distributed automation systems".
